About *Paras*[™]

Forged in the legacy and hardship since 1980, PARAS has brought its unique brands of crockery to embrace dining tables. PARAS is a design boutique which presents the most stylish and innovative designs in crockery world. We aspire for designed lifestyle, a table where work, life and inspiration are all equal and integrated. Our goal is to create work that is exclusive. Colours, designs and shapes that are exploratory and inspirational. Creative that is conceptually interesting and visually stunning. We design with the belief that process and collaboration should be as exciting as fun as the end result.
